

■ Glacier and Beach Landings

We specialize in remote Alaskan flying with our Canadian-made Bush Hawk Aircraft. Made from the ground up to be rugged and reliable in nature. In spring and early summer we are outfitted with wheel-skis for glacier landings. Mid-summer through fall we utilize large tundra tires for beach landings and wildlife viewing.

■ Incredibly Large Windows

■ Daily Charter Flights

To Haines, Juneau, Skagway, Gustavus, Sitka, Yakutat and more...

■ Maintenance

Our aircraft are maintained to Factory New Limits, the highest in the industry.

■ Stereo Headsets for Quiet Conversation

■ Reservations

You may book your flight by calling 766-3007 in Haines or 800-954-8747 from Skagway. Or, come by our office 3 doors south of the visitors center on 2nd Ave. in Haines or in the Skagway Airport Terminal Building.

■ Trip Departures

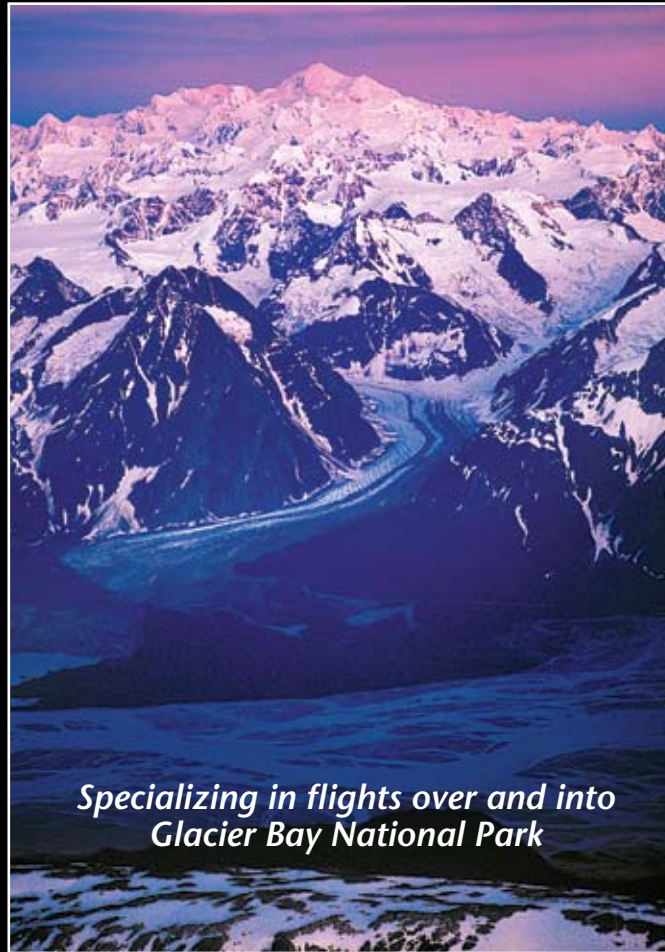

Please call our office for further transportation information.

A minimum of two fares is required for a flight. We will endeavor to combine small groups and singles to minimize cost whenever possible.

Itinerary may vary dependant upon wind, weather & pilot discretion.

Our flights are designed to be informative, giving you a sense of how the landscape is formed, it's human history as well as information about the wildlife that inhabit the land. Fly with Mountain Flying Service, and you will be flown by the experienced owner of the company in his highly maintained personal aircraft.

MOUNTAIN FLYING SERVICE

...TAKING PEOPLE WHERE THEY DO NOT BELONG SINCE 1992

EAST ARM FLIGHT #1

Join us for an unforgettable flight over the East Arm of **Glacier Bay National Park** and see more mountain peaks, rivers & glaciers than you could come to know in a lifetime. Discover the textures, colors and light that make up the Davidson and Rainbow Glaciers. Explore with us the **birth of icebergs** from calving glaciers and the Chilkat Bald Eagle Preserve. You will come away with a new perspective of a constantly changing landscape.

Flight time: 1.0 hr. (approx.)
Price: \$159 per person from Haines
\$199 per person from Skagway

WEST ARM FLIGHT #2

In this exciting charter flight we will aviate over the East and West Arms of **Glacier Bay National Park**. This flight allows us the little extra time to fly deep into the tall and jagged Fairweather mountain range. We will see **Mount Fairweather** rising 15,300 feet tall and Mount Crillon at 12,700 feet. Among these giants we will see many **tide water glaciers** cascading down to the ocean. The Grand Pacific and Marjerie Glaciers in the Tarr Inlet and the John Hopkins, Lamplugh and Reid Glaciers are the Best of Glacier Bay.

Flight time: 1.3 hr. (approx.)
Price: \$199 per person from Haines
\$249 per person from Skagway

PILOT'S CHOICE #3

This remarkable charter flight will take you for an eagle's eye view of the legendary mountains and glaciers of Southeast Alaska. We will fly over **Glacier Bay National Park**, past Mt. Fairweather and Mt. Crillon and out to the Pacific Ocean on the Gulf of Alaska. Highlights include Lituya Bay, the site of the highest ever recorded wave, 1700 feet, and the **La Perouse Glacier**, the only glacier in Alaska that calves off directly into the Pacific.

Flight time: 2.0 hr.
Price: \$299 per person from Haines
\$349 from Skagway
Bush Pilot's Choice \$599 per person

Prices subject to change due to fuel costs.

SKI PLANE GLACIER LANDING OPTION

For an additional \$75 per person, add an exciting glacier landing and snowfield takeoff to Flight #1, #2 or #3. Set foot and explore the snowfield for a memorable 30 minutes "on top of the world". (when available)

"It's much easier to see out of a high winged aircraft—and there's so much to see".
— AMELIA EARHART

"That was by far the best flight we have taken anywhere in Alaska".
—JOHNNY B. GOODE
